\*Please note the change of address for TAME and ensure that your accounts payable department has the current address. If a W9 form and/or vendor packet is needed, please contact the Director of Operations via email at: [tameinformation@gmail.com](mailto:tameinformation@gmail.com)

## **COMPETITION RULES**

*Disclosure: These rules were created specifically for TAME sponsored competitions (functions) and are a revised version of UIL/TMEA regulations. The reason for not selecting exact UIL/TMEA regulations is that many components do not match the needs of Mariachi competitions. For the purpose of TAME competitions, only the rules in this handbook should be used.*

### **Instrumentation**

All ensembles shall consist of a minimum of 7 and a maximum of 24 members.

A Standard Mariachi ensemble should consist of at least:

1 instrument per section (1 violin, 1 trumpet, 1 guitarron, 1 armonia)

**Not having an instrument in a particular section will result in a score of zero for that section being that there would be no way to judge or score a section that is not represented** (the loss of the section's 200 points may result in a lowered rating at area) Groups that play all instrumentals will lose the vocal section score.

*• A general guideline on instrumentation would be 3-4 violins for every trumpet and three armonia (guitar, vihuela and guitarrón). The guitarra de golpe and arpa are optional. Doubling of guitar would be ok, but doubling of guitarrón and vihuela could over balance the ensemble. This is only a guideline and not a rule. Director's discretion is advised.*

Any other instruments can be added or doubled as long as the standard instrumentation is included. While judges shall be instructed to criticize instrumentation only insofar as it affects the balance and general effect of the performance, schools are encouraged to conform as closely as possible to the accepted standards of instrumentation.

*\*\*Non-Varsity/JV and MS/JH mariachi groups can use a more liberal instrumentation, such as; 2-3 Guitarrónes, 2-3 Vihuelas, 3-4 Guitars etc. as for the purposes of inclusion.*

## **Performer Requirements**

1. All performers must play an instrument on stage (no solo singers)
2. Each Vocalist must be a contributing member of the ensemble. An instrument cannot be used as a prop to "fake" a performance or to try to "bend" the vocalist/instrumentalist rule with minimal instrumental-musical contribution. This infraction could result in disqualification from the contest.

## **Student Eligibility**

1. High School students are eligible to participate in competition
2. The No Pass/No Play UIL eligibility rule will apply to all TAME functions.
3. Amateur Rule: As per UIL constitution and contest rules, the amateur rule only applies to athletic contests and not music. (Section 400 and 430 of the UIL constitution)
4. Students cannot perform with more than one group on the same instrument. Students wishing to perform in more than one group (ex. Varsity-JV) must do so on a completely different family of instruments. i.e. Violin and Trumpet or Vihuela and Guitarron. Vihuela/Guitar/Guitarra de Golpe are considered the same (armonia).
5. Students competing in more than one group cannot be a solo singer in both groups, it is one or the other.
6. Only registered students can participate in the competition. If a registered student does not participate in the Area competition due to ineligibility, and the mariachi advances to state finals, that student can participate at state provided that eligibility has occurred.
7. Exception to the high school rule: A seventh or eighth grade student may compete in the mariachi ensemble provided that the majority of the ensemble members are in grades 9 - 12 be in high school. (2A, 3A, 4A = 2 for every 10 and 5A, 6A = 1 for every 10)

*\*\*\*If a seventh or eighth grade student performs with a high school group, they cannot also perform with a JH/MS group.*

## **Group Eligibility**

A mariachi can participate in Finals with fewer students that participated in Area, but if more compete in finals, their name must appear on the original Area Entry Form 1. *(The designated form with principal's signature needs to be submitted with the entry check by the entry deadline)*

## **PERFORMANCE REQUIREMENTS**

### **Time Requirements**

The required time limitation at the TAME Area and State competition for ALL groups is a ~~minimum of 9 minutes and maximum of 12 minutes.~~ **maximum of 10 minutes, no minimum.**

- Time begins when first note is played and stops when last note is played.

### **Time Penalty**

At the Area Contest, failure to comply with these time limitations will result in the lowering of the overall rating by the TAME executive board. For example, an overall 1<sup>st</sup> Division would be lowered to a 2<sup>nd</sup> Division.

At the TAME State Contest, if a Mariachi does not meet the time requirement, a deduction of 100 points per individual judge's score will also occur. This deduction will not be applied in the event of a third party disruption such as sound system issues, weather, acts of God or circumstances beyond our control have occurred. If this is the case, no deduction will be applied.

### **Order of Performance**

Contest order will be determined by a double blind drawing of places by a TAME Board Member prior to the contest.

### **Music Selection Requirements**

Schools are required to perform a minimum of two songs, one of which is in the style of a Son Jalisciense. Be aware of the time requirements for your group.

- The two songs can also be performed as part of a popurri. An introductory "Tema" can also be included, but does not count as one of the two songs.

Individual songs or popurris are permitted as long as a Son Jalisciense or a song in the style of a Son Jalisciense is included within the performance (a complete son is not required as long as it is included).

## **Repetition Of Songs**

A varsity or non-varsity/JV mariachi may not repeat music within 4 school years of playing it at the Area Contest and/or State Finals. Middle school mariachi may not repeat music within 2 school years of playing it at Area contest. This includes musical selections/arrangements, song titles (regardless of musical arrangement or style) song lyrics etc. Introduction temas (i.e. Those specifically written for the group) can be repeated but must not use too much time. (i.e. 30-45 sec. intro).

High School (Sample School Years)		Middle School (Sample School Years)	
Year Song Selection Played	Year Song May Be Played Again	Year Song Selection Played	Year Song May Be Played Again
2014-2015	2019-2020	2014-2015	2018-2019
2015-2016	2020-2021	2015-2016	2019-2020
2016-2017	2021-2022	2016-2017	2020-2021

**Groups that do not follow this rule will be disqualified**

## **Amendment Forms**

Directors will have the opportunity to change their musical selections after the original registration deadline by filling out an amendment form and submitting it to the contest office the day of the contest. Group song selections may or may not be checked prior to a group's performance. If it found, at any point, that any of the song selections do not adhere to the TAME rules or requirements, a penalty will be given depending on the specific broken rule.

*\*\*Board members are not responsible for checking a group's song selection prior to any performance to ensure that they follow TAME rules and guidelines. This responsibility solely belongs to the director of each group\*\**

## **State Finals Music Selection**

If mariachis advance to State Finals, the music selections can be changed as long as a Son Jaliscience or a song in the style of a Son Jalisciense is included. Not playing a Son Jaliscience or a song in the style of a Son

Jalisciense will be an automatic disqualification. The Son or a song in the style of a Son Jalisciense cannot be the "Tema."

### **Music Scores**

Each director of the mariachi ensemble shall supply each judge with a numbered conductor's score of the selections to be performed. The head judge is instructed not to permit performance to begin until the scores have been received. The score needs to include:

1. Vocal parts written out and with words under each note
2. All instruments used need to be written out in the score with the exception of the harp if it is following the guitarrón line (label score).

### **Music Score Format**

1. Score format should be enlarged enough so that there is no straining of eyes.
2. A minimum of two systems per page and eight to twelve bars per system should be adequate.
3. Music should be notated as performed. If playing a "popurri," music should be notated as performed including transitions and modulations.

**Scoring Guide** (you may deviate from this as long as the music is computer generated and easy to read)

1. Violins: Include bowings, articulations/dynamics
2. Flutes (if used)
3. Trumpets: Include articulations/dynamics
4. Flugel horns (if used)
5. Voice: Include vocal line, lyrics and coros
6. Harp (if notating it): You may specify that harp will follow the guitarrón line
7. Armonías: In rhythmic notation with mánicos
8. Guitarrón: Notate inside the staff Low A to High A. Single string notes maybe notated outside the staff

If a score is purchased, please make sure that the above information is included (It can be in a different layout), otherwise, you will need to transcribe it in a notation program as requested.

A condensed score Violins in one stave and Trumpets in one stave may be used. No individual instrument parts will be accepted. That is not a score.

Scores need to be published or computer generated. **No handwritten scores will be accepted.**

### **Score Submission**

- Area Contest: If a director flagrantly submits an incorrect score, the group will be penalized 25 points off their lowest judge's score.
- State Contest: Each judge will deduct 100 points from their individual overall score.

### **Conferences**

Middle School and Varsity Mariachis shall compete according to the UIL conference they are classified in (C, CC, CCC, 2A, 3A, 4A, 5A or 6A). Schools cannot choose to compete in a different conference unless the entire school is moved up by UIL for music. JV groups will compete in the JV category.

### **Combined/District Groups**

Combined/district mariachis are not allowed to participate. MS and HS Academies may participate, since they are a single school entity.

### **Music Memorization**

All Varsity groups must have their music memorized. JV, Non-Varsity and Middle School groups have the option of using music stands. If you are going to use music stands, you will be responsible for providing them.

### **Uniforms/Trajes**

Groups are encouraged to wear a type of uniform, from simple black pants/skirts and white shirts to three-piece bordado will be acceptable. Sombreros are optional and no deduction in points will be given if they are not worn. Things such as neatness, clean and properly fitted attire, uniformity, attention to detail (botines, moños, sashes, hairpieces, earrings, cintos and botonadura) etc... will be evaluated.

### **Conducting/Playing**

Directors cannot conduct or play in the mariachi.

## **JUDGING**

A list of judges will be sent to each member. Active members will submit their top 5 choices for judges. Names will be ranked in order by voting. The top five names from all active member voting will be considered for the judging assignments. Contracting of judges will begin by the first pick and will continue in order until five judges have agreed to judge. Judges who accept a judging engagement cannot have had prior contact with the mariachi they are judging including, but not limited to: providing clinics, private lessons, listening to recordings, watching video tapes, critiquing or any other form of instruction to the mariachi, individuals or directors. This would result in a conflict of interest.

### **Area Contest Judging Procedure**

A three (3) judge panel will be used for the Area contest. Each judge will give a numeric point value to each group on their performance. Those point values will then be change into a rating for each individual judge. After the points are converted into ratings, the ratings will then be averaged out into an overall rating. Each school will receive a rating based on their performance.

The ratings are as follows:

- Division I - Superior (800-1000) points
- Division II - Excellent (600-799) points
- Division III - Average (350-599) points
- Division IV - Below Average (0-349) points

At Area, division ratings will be used with the following criteria:

Rating I -----1 1 1, 1 1 2, 1 1 3, 1 1 4, 1 1 5

Rating II ----1 2 2, 1 2 3, 1 2 4, 1 2 5, 2 2 2, 2 2 3, 2 2 4, 2 2 5

Rating III ---1 3 3, 1 3 4, 1 3 5, 2 3 3, 2 3 4, 2 3 5, 3 3 3, 3 3 4, 3 3 5

Rating IV ---1 4 4, 1 4 5, 2 4 4, 2 4 5, 3 4 4, 3 4 5, 4 4 4, 4 4 5

### **Area Awards**

All middle school, JV and varsity groups that receive a Division I rating will

receive a Division I plaque. (Varsity groups will receive their plaques at the state contest during the awards ceremony)

### **Advancing to the State Contest**

~~Every High School Varsity and JV Mariachi that makes a First Division at the TAME Area Mariachi Contest will automatically qualify for the TAME State Mariachi Contest. In the event that no Mariachis earn a First Division in their classification at the Area Contest, the judges will determine which **one mariachi** will represent their Area within their classification at the TAME State Mariachi Contest. **If only one group advanced to state in a particular division from the entire state, that group will move up to the next division (ex. 2A will move up to 3A)**~~

### **State Contest Judging Procedure**

A five (5) judge panel will be used at the TAME State Contest.

- Judges will be provided with a tally sheet to help them keep track of their own scores.
- Each individual judge must not have a tie on their scores.
- After a school has competed, each judge must submit their comment sheets with their point scores to the contest office so that it can be entered in the computer.
- Once a score is entered, the computer and Excel program will calculate each score and convert to ranking.
- If there is a conductor's score violation, points will be deducted prior to ranking.

### **Scores and Ranking**

1. Each mariachi's high and low ranks will be dropped.
2. The mariachi with the lowest composite rank of the remaining three (3) ranks will have the highest ranking
  - Exception: If a majority of the remaining three (3) judges have a mariachi as first. In this event, that mariachi shall be declared as first. If a majority of the remaining three (3) judges have a mariachi ranked as second or better, that mariachi shall be declared as second.
3. All other mariachis will be ranked according to the remaining three (3) judges composite ranks. This paragraph super-cedes the possible situations described in Section A below:

## **Ties**

In case of a tie, the majority of ALL judges selecting one mariachi over the other will decide the winner. For example, if two mariachis are tied by virtue of each receiving identical sum ranks as in this example: ..

	<b>Mariachi A</b>	<b>Mariachi B</b>
<b>Music Judge A</b>	<b>1</b>	<b>2</b>
<b>Music Judge B</b>	<b>2</b>	<b>4</b>
<b>Music Judge C</b>	<b>5</b>	<b>2</b>
<b>Music Judge D</b>	<b>3</b>	<b>5</b>
<b>Music Judge E</b>	<b>7</b>	<b>4</b>
<b>Score</b>	<b>10</b>	<b>10</b>

It should be noted the Judge A ranked the first mariachi above the second; Judge B ranked the first mariachi above second; Judge C ranked the second mariachi above the first; Judge D ranked the first mariachi above the second; and Judge E ranked the second mariachi above the first. This results in the following:

	<b>Mariachi A</b>	<b>Mariachi B</b>
<b>Music Judge A</b>	<b>1st</b>	<b>2nd</b>
<b>Music Judge B</b>	<b>1st</b>	<b>2nd</b>
<b>Music Judge C</b>	<b>2nd</b>	<b>1st</b>
<b>Music Judge D</b>	<b>1st</b>	<b>2nd</b>
<b>Music Judge E</b>	<b>2nd</b>	<b>1st</b>
<b>Score</b>	<b>1st</b>	<b>2nd</b>

With the winner of the Judges' Preference, (Mariachi A) is being placed above (Mariachi B) since (Mariachi A) has three judge's ranking them First.

Judges must initial the sheet where a tie was broken by judge's preference.

**There will be no ties at State Finals. Ties must be broken by judge's preference as noted above.**

An Excel spreadsheet program will be used for tabulation scoring.

### **Verification Period**

This time is used for directors to verify that scores were computed correctly and that there were no errors in scores, rankings etc. Directors will have a verification period (30 minutes max) to see scores before results are announced. All results will be final as agreed by judges.

*\*This is not used to determine group eligibility, infractions etc.\** If there was a violation of the rules that deems a group ineligible for an award prior to the verification period, the group placements will be adjusted. Violations that are found after awards, will result in the consequence being enforced at that time. Infractions need to be brought up to the attention of the Board of Directors *before* or *after* the verification period, not during.

### **State Awards**

Every mariachi that competes at the State Finals will receive:

- Participation trophy or plaque (earned at area)
- Trophies for 1st, 2nd, & 3rd place in each conference
- 1st, 2nd & 3rd place recipients will receive student State Finalist Medals
- State participation patches for all students at state

### **Forfeit of Awards/Disqualification**

In the event that a contestant or group participates in the competition knowingly or unknowingly breaking any of the rules in this handbook, the penalty shall be one of the following:

1. Penalties as defined in each section (ex. lowering a rating for not adhering to time limits) and/or
2. Forfeiture of any awards and/or disqualification for all other rules that have no designated penalty.

### **QUESTIONS, DISPUTES, AND CONCERNS**

Any questions, disputes or concerns need to be brought up by the Mariachi director to the TAME Executive Board. The Board will deliberate to resolve any issues. All questions or concerns can be emailed to: [tameinformation@gmail.com](mailto:tameinformation@gmail.com)

*All rulings and resolutions made by the TAME Executive Board are final.  
This handbook has been approved by the Executive Board November 2020.*
